Designing Effective Figures for Publication

Anneli Joplin, Instructor, Center for Written Oral & Visual Communication

Description: This workshop will help you consider how to best visualize your data in journal article figures. We will explore strategies to design figures that are visually appealing and communicate a clear story to the viewer. We will also discuss color, formatting, and style guidelines relevant to publication.

When: Wednesday, November 29, 2017
What time: 3:00-4:00 PM
Where: Sewall Hall 305

Registration is required.
