

Graduate and Postdoctoral Studies **Spring 2018 Succeed! Workshop Series**

***If Only I'd Known That When I First Started Graduate School!:* Wisdom from Advanced Graduate Students**

Graduate Student Panel:

Cat Majors, Bioengineering; Emily Thomas, BioSciences; Scott Pett, English; Colin Noe, Psychology

Description: Don't have regrets. Find out what advanced graduate students wish they had known/done in the early days. This panel will discuss things they wish they had known and things they might have done differently if they were starting over.

When: Wednesday, March 14, 2018

What time: 3:00-4:00 PM

Where: Sewall Hall 301

Registration is required.
