Graduate Storytelling Competition – EXAMPLE
Using video and digital technology to creatively communicate research

Areas addressed: Presentation Skills
Primary Contact: GPS, graduate@rice.edu

1. Description and Event Details
   - Provide a description of the program or event.
   - Timeline: When and where will the event take place? Is it a one-time event or a series?
   - Audience: What is the reach of the project? Department-level, interdisciplinary, or university wide initiative? Will undergraduates, faculty, staff, or postdocs be involved? Any off campus participants?
   - Marketing Plan: How do you plan to publicize the event?

2. Impact on Graduate Students
   - What are the goals of program?
   - How will this program positively impact graduate education?
   - If this is an existing program, describe existing program and how the program is being expanded or enhanced.

3. Detailed budget
   - Total asking amount
   - Itemized budget of how funds will be spent
   - Other potential funding resources
   - Existing funding resources (if applicable)
