Enrolling in a Course on catalog.rice.edu

Once you are viewing the course that you would like to sign up for, click on the Enroll button below the course short description.

If you are not logged into Catalog, you will be prompted to login.

On the next page, click on the Rice Login button and then enter your netid and netid password.

Once you are logged in, you can then click on the Enroll in Course button.
You will then get a notice that you have enrolled in the course. Click on the Go to your Dashboard link to see all of the courses that you are currently enrolled
